Vacation Bible School 2017
Maker Fun Factory
July 24-28 8:30am-11:30am
At Faith Evangelical Lutheran Church, 420 Read St, Walworth, WI

We will be doing some very exciting things at Vacation Bible School this year. We will have programming for children ages 3-8th grade.

At Maker Fun Factory VBS, children don't just hear about God's love; they see it, touch it, sing it, taste it, and put it into action through God Sightings. As they travel from station to station, they go deeper into their understanding of God and God's Son, Jesus. Most importantly, children learn that because Jesus loves us, he came to die for our sins and make a way for us to live with God forever.

Children Ages 3-4 will be in the Tinker Tots Preschool Program. These children must be 3 by June 1st and potty trained. They will experience VBS in an age appropriate manner. Our preschoolers will be involved in the opening, closing, and snack with our other children at VBS. The rest of their time will be spent in their own classroom learning about God's Love in a manner geared for preschoolers.

Children entering Kindergarten-4th grade for the 2017-18 school year will participate in Maker Fun Factory VBS- a traditional vacation bible school. Children will be put into age level groups called crews. Each day they will learn fun music, experience a bible story, complete a community service project, create a craft, and play games. Each child can name one other person they would like to have in their crew. We will do our best to honor each request, but cannot guarantee all requests will be met. Crews will be divided by age.

Students entering 5th-8th grade will be in Joyful Action, a community service based program. These students will participate in the opening and closing section of VBS. They will leave the church each day to service our community through different projects. This group will play a large role in our Finale service on Friday.

Parents are welcome at VBS Monday-Thursday at 11:05 to watch our FunShop Finale. There will be a video with pictures from the day's activities and the children will be singing some very fun songs. On Friday, please come at 10:45 to be a part of our FunShop Finale Closing Service.

Please preregister by June 30, 2017

Preregistration cost is \$5 per child

Registration from July 1-July 24 is \$10 per child

CDs will be available for purchase during VBS for \$7
